

2018 SACC NATIONAL CONVENTION

*Four Points Sheraton, Ventura, CA - Hosted by SACC's Southern California Chapter
July 20 to July 22, 2018*

We enjoyed SACC's 2009 convention so much, the SoCal chapter decided on a repeat performance! Well, not a total do over, but the accommodations were very nice and the setting breathtaking, so we are returning to the Four points Sheraton on the Ventura waterfront and harbor again for the 2018 convention!

The chapter has planned a weekend full of activities, including:

- Opening reception**
- Road tour & luncheon**
- Visit to an automotive museum & car collection**
- Harbor dinner cruise**
- Tech sessions with optional spouse activities**
- Annual Banquet**

The convention agenda and registration forms will be printed in the spring edition of "On Solid Ground", and are currently available on the SACC website: www.solidaxle.org and the Sol Cal chapter website: www.socalsacc.com

A special convention rate has been negotiated with the Ventura Four Points Sheraton of \$169 a night (phone: 805-658-1212). For those wishing to arrive early or stay afterward, the hotel will honor the convention rate for two nights prior to and following the convention. Marilyn & I stayed over following the 2009 convention to visit the wineries and restaurants of Santa Barbara and Los Olivos and had a great time. We plan to do so again, this year!

Airports: LAX (Los Angeles International) is 70 minutes & BUR (Bob Hope - Burbank Airport) is 65 minutes.

If you attended the 2009 convention, I know you will return to Ventura this summer. If you missed that one, don't miss this one! Make your reservations and send in your registration today!

Brad Bean, SACC Vice President
