**Old Business:** Bob presented the “Hard Luck Award” goes to Steve and Loretta Conway. The 2022 award would have been awarded at the Christmas party but Bob was not at the party. The award is a silver Z06.

Kurt did a membership trivia report. Kurt started at 2001 then went on 5 years at a time. Jerry with his 63 Split window and Jack with his 63 fuel injected roadster. They both still have these two cars. They have been in the club 40 years.

Several members of our club have not been well or are recovering from surgeries. We signed cards and mailed them off. Kurt, on behalf of the club, is sending prayers for a speedy recovery. Also the club sent the thank you card to Ray Scherr.
