

VCSC Meeting Minutes ~ February 2, 2019

Meeting was called to order at 12:36 with 14 members present and no guests. President Jim was surprised to see so many present given it was pouring rain and noted it was nice to see Charlie and hadn't expected to see Barbara as she had torn her meniscus while line dancing the night before!

He went on to say there was a good turnout for the last meeting to the Valley Relics Museum and on to Bear Pit BBQ.

Old Business – none

New Business – Jim said Ron called him that morning to say it was raining too hard for them to attend but before he could get it out, Jim answered the phone, "You don't need to be there, it's raining too hard!" Jim then put a call in to the L'Oddo's to say it's raining too hard and you'll be soaked before you get into the restaurant so stay home! They were happy to do so.

February birthday wishes to Loretta Conway, 2/1; Jan Boyce, 2/6; Fran Filson, 2/14; Lynn Mazie, 2/28.

Jim brought up an idea for an off-meeting day to tour 'Greystone Mansion – The Doheny Estate' in Beverly Hills through Friends of Greystone. The event is a self-guided tour of the mansion from 11 to 2:30 on March 31st for \$20 each. The mansion was once home to the Doheny family, is 46,000 sq ft and was once on 400 acres in what is now Beverly Hills. He thought it'd be a fun run from Coco's via Coldwater Canyon, through Trusdale Estates to Beverly Hills. It is not handicapped accessible. He passed around a sign-up sheet and Gina will buy the tickets for those who pre-paid. Dinner TBD

Jim asked Jerry to speak of Chris Hicks. Jerry said her cancer is now in remission but she isn't driving due to numbness in her legs and that Bruce was failing. He also spoke of the death of Patrick Martin, son of Joe & Vicki and brother to Dennis. He passed suddenly after surgery in Oxnard. Joe is planning the funeral which Jerry thought might be in the next week. Barbara said she already sent out cards on behalf of VCSC to Joe & Vicki and to Dennis. Our deepest condolences to the family. Jerry also said the Stanton's would be back in California in April and are planning for their daughter Carol's wedding in November which might mean a club meeting change.

Jim asked Jerry if he had a list of upcoming local car events as he usually does. Jerry said he had passed them on to those who live in Simi.

Car Problems/New Products – none

Around the Board

Vice President – Spencer had nothing to add

Secretary – Gina will be doing the roster for March

Treasurer – Loretta was rained out

Membership – Barbara said dues are due and has applications for those who wanted to pay today. If everything is the same, just sign the bottom. She also shared that Vicki Stanton had hernia surgery Jan 16 and is doing well. She was going to report on Colleen's progress after foot surgery but Colleen was present and seemed to be doing fine.

Web Master – Paul is enjoying Norway

Feature Editor – Paul is still enjoying Norway

Historian – Jerry said that after some back and forth with Parks & Rec, he was able to reserve the park for Day in the Park 10/5. It will be 12 to 4, potluck with games, drinks and sandwiches provided. There will be a sign-up sheet to bring side dishes/dessert - \$5 per person for members, \$10 for guests in advance.

Sargent at Arms – Clyde had nothing

Product – Alyse said that Monarch, the place we've been using for product, has increased their minimum to 12 items from 6 so is looking elsewhere. Colleen says she has access to a friend who does embroidery & can provide product so will contact her. Alyse gave her one of the large embroidered, three-car patches as a sample to show Colleen's friend and will forward the embroidery files to her. Alyse is also looking into an iron-on patch for product but hot water and irons cannot be used. They'd be about \$15 for front & back. She still has the big embroidered patches of the three-car logo which sell for \$35 and Monarch charges \$18 to sew onto your garment. She also has the small patches which sell for \$15.

Events – Ron was rained out so Jim read off the events planned by the Board for 2019:
