

V.C.S.C. Minutes ~ July 9, 2022

The meeting was held at Junkyard Café. President Jim Moore called the meeting to order at 12:36 pm with 30 members!

Announcements

Mike & Sheri Dixon are filling in today for Nanci with product and Spencer for raffles. Happy July birthdays were wished to Loretta & Vince L'Oddo, Bill Kluss, Sheri Dixon, Laurie Ferrari, Kelly & Charlie Odell, Bob Stanton, Jim Moore, Jack Matukas & Dave Filson.

Old Business

Jim shared that some did a drive-by at Children's Hospital for Ayden, the 6 year old who had a bone marrow transplant. We positioned the cars so he and his parents could see the cars from his room. Spencer connected with them via FaceTime and we ALL did the Hokey Pokey together and played Simon Says! It was quite a sight with us standing on the sidewalk of the hospital but Ayden loved it. And he is now home, quarantined for a year but so far the transplant is successful.

New Business

As there wasn't a June event, Jim shared that the Board met after the June meeting. The Board firmed up plans:

October 1st-Day in the Park Picnic back at the park, \$10 ea./\$15 for guests for BBQ lunch & games. Flyer will be out soon.

November 5th-The Tune-In for the guys, Nanci has planned for the ladies to go to Moorpark Melodrama to see *Legally Blonde* (\$23 senior/\$25 general) and we'll all meet up at the Hoglund's for the Pizza Party (\$15 each). Flyer to follow. BTW, the Board was concerned that after SO many years of hosting the Tune-In (30+) that Mark might not want to continue since not many have work done. Mark pays his guys to be there to work on our cars and also provides snacks & drinks. So Steve Conway talked with him to see if he wanted to stop and he said "absolutely not" that he enjoys the guys and the cars. Also people drive by and also enjoy seeing the cars. So everyone, plan to have them change your oil or buy & install a battery. You just need to let Mark know ahead of time so he'll have enough product available. He provides the service and you can tip his guys!

December 3rd-Christmas Party at Knollwood Country Club \$60 per person for filet or Salmon dinner. Club to supplement the cost difference. Flyer to follow.

Car Problems

Steve Conway shared that the '23 has no key cylinder in the truck and that you'd have to drill a 3" hole in order to access. Ed Whetstone noted that there is a video out on GM site that shows you where to drill which is where the emblem is. Crazy!!

Around the Board

President – Jim shared that Don Bail has Covid as does John Braunschweiger

Vice President – Spencer's In Cody

Secretary – Gina Reminded all there's a card going around for Clyde as he's had hip replacement surgery. Also she'll be sending out event flyers as soon as they are ready to go.

Treasurer – Loretta wanted to come so badly but still not released to drive. She plans to make it next month for sure. Gina read the treasurer's report for Loretta and noted the account is healthy.

Membership – Barbara's at Barbi Convention in Chicago

Product – Nanci is home with John as he has Covid. Sheri delivered some shirts. A.J. asked about his jacket and Sheri said she'd check with Nanci.

Events – Kurt spoke of the event today to the Air Museum. It's \$10 for the guided tour. No picture on the tarmac this time. Dinner is scheduled for 4:30 at Adobe Cantina in Agoura and asked for a show of hands. Those who would like, there is a Coachmen car show in Calabasas until 7:30.

For August, it's either a Hoglund Fun Run or if there's interest, he could see about a tour of the Lyon's Raceway Air & Car Museum in Carson. Many expressed interest in attending at some time. September is the second Saturday and either Hoglund Fun Run, Lyon's Musuem or Garage Crawl. Evan will help him put the Crawl together if that's a go.

Webmaster – Paul said things have been uneventful which is a good thing.

Feature Editor – Paul said he may have something in mind.

Historian – Jerry said he'd be taking pictures and that Joe Martin will meet up at the Air Museum with his grandson.

Newsletter Editor – David reported that Melissa has been very ill. She had appendicitis that burst so was in the hospital for a while and is finally home recovering but sore. He posed the question of whether to continue a newsletter or not as less than 1/3 of the members open it and he only 'snail' mails one. There was much discussion and it was noted that much of the content was on our web site. No decision was made either way.

Sargent at Arms – Steve said to see him for a radio.

Museum Ambassador – Mike had nothing

Comments/Concerns

Jerry acknowledged long time member Lanny Goodwin was present and we hadn't seen him since the picnic in October 2021.

Mike Dixon collected \$103 today for the raffle

Name Badge drawing of \$5 would have been won by Barbara Tuers but she was in Chicago!

Dinner drawing would have been won by Jack Alsobrook but he wasn't going to dinner.

Meeting adjourned at 1:13pm

Respectively submitted by *Gina Moore*, Secretary
