

V.C.S.C. Minutes ~ August 6, 2022

The meeting was held at Junkyard Café. Steve Conway called the meeting to order at 12:15 pm with a huge turnout of 41 members and 10 guests present!!

Announcements

Jim thanked Mike & Sheri Dixon for filling in last month for product as Nanci was sick and for raffles as Spencer out of town. Great job! Guests were introduced: Randie Reicher with Michael Garelick, Orwin & Alma Middleton who were members in the 70's, Adam & Terry who have a C5 coupe, Ricardo Panameno and his family, John Banner who was past president and designer of original VCSC logo and Bruce Fine's friend Russell Trubia who with his wife Shaleen became members today!!

Jim also welcomed back Loretta & Vince L'Oddo after Loretta's bad car accident several months ago and Jim & Jan Boyce now that they too are on the mend. Good to see them all.

Happy August birthdays were wished to: Vicki Rya, Lenny Ski, Michael Garelick, Patti Gibbons, Michael Morin, Michael Ewing, Melissa Cervelli, Suzana Williams, David Cervelli, Spencer Hoglund, Jack Bohlman, Dale Schaum, Frances Pollock and Sharon Lederer.

Old Business

Last month's run to the Air Museum was a fun time. However, Jim brought up that 20 people signed up and reservations were made for dinner at Adobe Cantina. But only 10 people attended causing the restaurant to have to reset tables. While those in attendance apologized to the restaurant, it was embarrassing. In the future, if you commit to dinner, please follow through.

New Business

New member packets were presented to Rick Scholtz and to Doug & Kelly Spondello. You're officially part of the VCSC family now!

Car Problems

Jim Boyce had a problem with Rydell. He went there to see about getting his Corvette serviced and was told no appointments were available but he could leave it there until there was availability, for how long they couldn't say. Jim Moore had a similar issue in that he was told he couldn't make an appointment in person, even for a future date, but he could do it online only.
