Announcements

Jim introduced Jerry's guest, Bill Serantoni, Mike's guest, Anthony Costantini and Annetta & Marshall Vernon who were invited by Spencer! Welcome!

He shared an email received looking for car(s) for music video photo shoot on 9/11. Gina will email out in case anyone interested.

Old Business

Jim noted it was a good turn-out for the August Poker Run and dinner at Rock Inn. He thanked Spencer & Alyse for the route and Ron for the poker asking Ron who won?? Charlie Odell was overall winner but there were many other winners as well.

Kemo shared that it's been 12 years since her motorcycle accident, Nancy Kochanski finally passed away August 10th. It has been a long 12 years for the family but Nancy is no longer suffering.

Car Problems

Barbara said she wanted to drive her '98 but the a/c is out. So she was going to drive her Cadillac but it too went out just before arriving at the meeting. She had just had it serviced 3 weeks ago and wondered if it was a fuse? There was much discussion and the guys said that at the break they'd all go out and have a look at it.

New Business

Happy September birthdays were wished to Jim Steadman and John Medeiros.

Kemo has both his '04 and '08 Corvettes for sale.

Jerry shared that there is a cruise night tonight in Simi at the Rock 'n Roll Café.

Break 12:31pm Resumed 12:53pm

Report on Barbara's a/c was that Jim pulled the fuse module out (once they found it!), put it back in and the air seemed to work fine.

Charlie Rya announced he has order a Blue Z51 C8 with some carbon fiber and the second-level light grey interior package. Says he should get it come spring. He was asked if new ones will come with Spring Mountain training package but he wasn't sure. Also said he'll let anyone drive it and recalled that he let Jim drive his C7 in Solvang, which he's keeping, and Jim got it up to 125MPH!
