Hey the Stanton's are back from Minnesota! Bob shared that they pulled the C7 out of the garage then noticed the windshield was cracked! He also shared the great Black Hills Corvette Run they attended. There were over 1,012 Corvettes, people were so friendly and the BBQ was like on steroids! Unfortunately, they suffered a dead battery in Deadwood, South Dakota.

Around the Board

Vice President – Spencer has raffle tickets for sale! He spoke of how he & Alyse celebrated their 4th wedding anniversary by eating at Mastro's, a very nice

restaurant as a customer of his had given them a very nice gift card for it. Well they decided to take the '41 Chevy truck with the beautiful waterfall grill and took surface streets instead of the freeway. As they drove past the golf course, it was like in slow motion...a golf ball was coming right at them and hit the waterfall grill of ALL places!! Then they get to the restaurant and as they had a hefty gift card, they ordered nice meals, appetizers, etc figuring they'd pay any overages. WELL, turned out the gift card was used up in 2019 and the bill was over \$400!! Happy Anniversary! Lastly, he took his newly acquired '73 Mini Cooper to Corvettes and Coffee on a Sunday but it overheated. Jim looked it over, found the fan belt had snapped so f

ollowed him home and replaced it for him. Spencer figures when he's got 3 cars in the shop, he should buy 3 more to take their place!

Membership – Barbara is home readying her yard for the picnic. Gina reported that Jan Boyce had foot surgery in July so is off it for 3 months and Jim Boyce has shingles! Hoping they're both better by the picnic.

Secretary – Gina just reminded we need head count for picnic by 17th. The awning, tables, chairs, food, caricaturist, games, sodas/water and the margaritas are all in place.

Treasurer – Loretta says the account is still healthy after paying deposit for picnic rentals and the cake.

Events – Ron noted Kurt had put in a lot of effort for the run today due to the changes Covid has causes. Kurt said no one is allowed on the base who isn't authorized. Kurt said he tried to make all the turns right handed. He hopes to cruise by Pepperdine to see the 3000 flags honoring those lost in 9/11 and Hero's' Garden. His wife Lisa hoped all would go well as Kurt got lost coming to the meeting today!! See Steve for a radio.

Product – Alyse has shirts available for sizing that can be ordered at \$20 each. The new embroiderer will be screen printing the 50th anniversary shirts with the original blue logo. Embroidered patches will be available at the picnic for \$5 each. She also has hats available today for \$20.

Feature Editor – Jim thanked Paul for a great article regarding the history of the Corvette logo.

Historian – Jerry said he'd be taking photos

Newsletter Editor – David asked for content for the next newsletter. Jim asked if he'd been by Airtel to scope out the situation there. He hadn't yet gone by assuming the Christmas party was a no go already due to the circumstances but will try to get by there soon, just in case.

Sargent at Arms – Steve has radios available for today. He has extra directions for today as he's not going since he's having car trouble.
