Comments/Concerns

Dennis Martin thanked Jerry Miller for always setting up the Laguna Seca run in Monterey. He and his dad, Joe, took their vintage Corvette and had a memorable time. They got in line to do the laps at the track only to be yanked out of line because the car might be too slow for all the newer Corvettes behind it. And then it poured rain! Unfortunately the car leaked pretty badly but that didn't dampen their enthusiasm. He also noted that the Cooper white wall tires they had on it have yellowed quite badly. They tried everything to clean them up and finally heard about a product called Bleach White.

Jim reminded the Board that the Board meeting is at noon on Saturday, October 12th at the Lederer's.

There was no raffle today so no Dinner Drawing and no name Badge Drawing which will be \$25 next month

Meeting adjourned at 1:05pm

Respectively submitted by

Gina Moore, Secretary
