

V.C.S.C. Minutes ~ November 9, 2019

Clyde called the meeting to order at 12:21 pm

Announcements

Jim welcomed member John Metcalf, noting it's the first of his bi-annual meetings! John is in the band we have at our Christmas Party!

He also spoke of member Charles McClendon's three beautiful red cars making the recent cover of California Car Cover catalog. Discussion was that California Car Cover would be moving to Simi Valley near Royal and Tapo.

Spencer announced that raffle tickets are for sale, then Alyse announced she is selling the winning raffle tickets!

Old Business

Jim inquired how everyone liked the picnic and should we do it again the same time of year next year? Suggestions were to have it twice a year, have Stone Fire Grill or In-N-Out Burger cater. In-N-Out has an \$1800 minimum. He went on to thank Spencer & Alyse for the games and the caricaturist and Barbara for Bingo. Seemed a good time was had by all. And he also thanked Jerry for reserving the park and Ron for using his address! Ron said he received a refund from the park for \$50 but didn't know why. Loretta advised that the cost for the picnic was \$883.97.

The meeting was turned over to Secretary Gina for 2nd round of nominations. Nominations were as follows:

Around the Board

Vice President – Spencer has raffle tickets 1 for \$1, 7 for \$5, 20 for \$10,

Secretary – Gina had nothing except to explain that the Oct 20th date for the Malamut Car Museum was apparently changed but she was not notified.

Treasurer – Loretta said we're doing good and is collecting for the Christmas Party so be sure to send in your money and your menu choice. She has 17 signed up to date. Spencer piped up that HE will be selling raffle tickets at the Christmas Party to which Ron responded that so will Barbara who will have the red tickets! Loretta will have white tickets for the 50/50 and Spencer can have whatever other color he wants! The Stanton's said they'd be Ron's elves since they are back in town.

Membership – Barbara noted Vince wasn't at the meeting today and is sorely missed. She also reported the Colleen has started her radiation and seems to be tolerating it. Patti Gibbons has been slow in healing of her broken ankle. She recently spoke to Rhea Medeiros who said John is now in hospice and that she'd appreciate any pictures of John at VCSC events. Lastly she reported that Shannon has moved to Las Vegas! She can carry on her business from there and is near her niece whom she is very close to. Barbara needs a Corvette count for Route 66 reserved parking.

Events – Ron spoke of the event today to Sun Air Parts in Valencia. There will be WWII collectables and vintage airplane engine parts. Spencer will lead the run taking a long route there. It is east of the 5 at 26007 Huntington Ln. There will be a drone there videoing our arrival so be sure you get a radio from Clyde so we can be sure to drive in together.

Dec 7th – The meeting will be at 11 am as the event will be to attend the Great American Junk Hunt in Ventura (\$8 admission) followed by dinner at BJ's in Oxnard about 4:30. There is a conflict for Mark having the Tune In in December so he has generously offered to have it as an annual event in November starting next year.

Dec 8th – Motor for Toys is a great show at Pierce College at Victory and Mason. Take an unwrapped toy with a value of at least \$15

Dec 21st is the Christmas Party so get your reservations and menu choices in. Choose filet or salmon. There'll be raffles of course so be sure to bring a nice, unwrapped gift for the raffle with a value of about \$50. Charlie will be marking them as to who brought what. There will also be a 50/50 raffle, dancing to a live band and a game. Ron needs those attending to email him directly ASAP with

their first job for which they received a paycheck as well as the city and position held. So far he's received some interesting ones.

Jan 4th – Spencer has arranged a return visit to the Ray Sherr collection at 9:30am. If you didn't go earlier this year, he has a beautiful collection of cars and guitars. Jay Leno featured his guitars on one of his shows. And Ray LIKES us! It was impressed that we were all so interested and asked questions so is happy to have us return. The meeting will follow at The Junkyard at 1-1:30ish. Watch your email in December for the address as it will not be posted on the web site.

Lastly Ron said possible events for next year might be to try the Malamut Collection again and maybe the private collection of Don Redding in Santa Clarita who Ron has a connection to when he had Black & White Towing. The Moore's attended a memorial there recently and said in addition to the cars, Don has some western style outbuilding of interest and that Don is just a very nice guy. Jim added that the board will be meeting in January to put the Events calendar for 2020 together.

Product – Alyse has lots of sample today – a T-shirt w/pocket \$30, a new style men's shirt \$55, a ladies T-shirt like Sharon purchased and she has hats available now for \$20. She is working with the embroiderer and Paul to set up a web link on our site for members only to order products.

Jim called for a short break to look at the new product and buy raffle tickets. We took a break from 1:01 to 1:13

Web Master – Paul said the site hasn't crashed so all is well and he's working on the product link.

Features – Paul is working on something.

Historian – Jerry said he was just back from the huge SEMA show in Las Vegas.

Museum Ambassador – Mike was absent

Sargent at Arms – Clyde has radios and you'll find him in the back of the parking lot.

Newsletter editor – David was absent
