

## **V.C.S.C. Minutes ~ November 6, 2021**

President Jim Moore called the meeting to order at 12:29.

### **Announcements**

Congratulations for Jim Henry who was presented with his New Member packet. And Jim welcomed A.J. Sorenson who rejoined VCSC! Welcome guys.

Jim shared that he, Gina, Jack Bohlman, Jerry Miller, Bob Stanton and Paul Pollock attended the Z06 reveal at the Peterson. Everyone was able to get up close to it. They also had an engine on display and a Z06 with half the body off so you could see the inner workings. Jerry said the Sema show in Vegas had a silver with red interior. People were guessing the Z06 might have a base sticker of \$90K with some dealers asking \$100K over. It's anticipated that only 20% of the 2022 produced will be Z06's. Ciocca's list is expected to be in the thousands and Coughlin is taking bids!

Alyse announced she had a mini-catalog available to view product selections. She also noted that the 50<sup>th</sup> logo can be embroidered on most garments.

Clyde & Colleen Shaffer brought their new baby, a 2020 HTC in Zeus Bronze with silver leaf pin stripping. Clyde search high and low for it as that color has been discontinued and found it in Santa Clarita as a corporate car with 2800 miles on it. Their '64 is for sale!

Happy November birthdays were wished to Ken Mazie, Dennis & Joe Martin, Mike Gibbons and Noema Fronti.

### **Old Business**

Jim asked if everyone had a good time at the picnic! He thanked Barbara Tuers for all the hard work and expense she's done on the house & yard since she volunteered in July to host the event. He also thanked the Roche's, Conway's and the Gibbons' for all their help with set up the day before and morning of the event. He also acknowledged the hard work that Bill Kluss & Phil Roche put in to providing the extensive club history. Jim also thanked David Cervelli for recommending the caterer as everyone seemed to really enjoy the food. And while it was fun to see, most felt the cartoonist wasn't quite as good as the first one we had.

### **New Business**

Jim regrettably announced that the Air Tel Plaza hotel, where we were scheduled to have our Christmas party, is still housing the homeless until at least April 2022. With no other locations available, the Christmas party is cancelled. However, Colleen Shaffer stepped up and offered to host it! Jim Henry and Charlie Ryia offered to deliver a couple of 10 x 10 awnings each. Charlie also will bring some tables and 16 chairs. Colleen suggested she could order from Stonefire Grill with members bringing appetizers and desserts. Spencer will see if the band can come as we

had already cancelled them. Gina will do a flyer so people can start mailing in their reservations right away. Ron reminded everyone to bring a nice, unwrapped raffle prize with \$50 value and bring money to buy raffle and 50/50 tickets. The battle is already on between Spencer and Barbara as to who will sell the most. It will be a much more casual affair but at least we'll have a Christmas party.

At this point, Jim turned the meeting over to Gina to conduct 2<sup>nd</sup> round of nominations for 2022 Board of Directors. They are as follows:

Alyse Hoglund was nominated as co-director

As there were no run-off positions, the new board stands as nominated and Gina closed the nominations. Vicki Dahlquist expressed an interest in Gina mentoring her for Secretarial duties so Gina will make that happen.

### **Around the Board**

Vice President – Spencer has raffle tickets for sale! He will confirm with Ray Scherr the January 8th date and time to tour his collection.

Events – Ron told of the history of the tune-in that dates back to the 70's. It started in guys' garages then Stu Peterson offered to have it in his shop. Mark Singer bought Stu's business and

has continued the tradition. As most of the Corvette's are newer, Mark's guys mostly do oil changes and he discounts batteries. Several club members buy batteries from Mark. Not sure what the ladies are doing but everyone will meet at the Hogle's for pizza and left over margaritas. He reminded everyone the Christmas party is December 4<sup>th</sup> at the Shaffer's. The raffle is a money maker for the club so be sure to bring a nice, unwrapped raffle prize/gift card/cash and bring money to buy raffle tickets.

Secretary – Gina reminded everyone to set their clocks back tonight. She will email the board with date/time for the January board meeting.

Membership – Barbara noted Colleen is here even with her health issues, Sharon Lederer wanted to be here but isn't up to it yet, Vince is here after his knee surgery and is sporting a new haircut and welcomed A.J. back noting he's been gone due to some health issues.

Treasurer – Loretta says the account is doing ok after the 50<sup>th</sup> Anniversary picnic noting that dues will be coming in January and the raffle today will help.

Product – Alyse has lots of product available as well as a mini catalog to order from. She is collecting money for the pizza party today for those who haven't yet paid.

Webmaster – Paul otherwise engaged today

Feature Editor – see above

Historian – Jerry said he'd be taking photos at tune in if someone can take pics for whatever the ladies do.
