

## **VCSC Club Meeting Minutes, February 3, 2018**

Call to Order: 12:20pm

Attending: 23

Special Guests: None

President Jerry Miller welcomed everyone to the February meeting, thank you all for coming!

A warm welcome back to Clyde Shaffer! We are missing Colleen Shaffer today, she had a rotator cup replacement and is still recovering but doing well. A bumpy corvette ride today did not sound inviting with her sore healing shoulder! Vicki Martin was in the hospital but is home now. Rhea Medeiros has also been sick for a while, we hope she gets better soon. Spencer Hoglund's Dad received a liver transplant two weeks ago. He is in the ICU at UCLA and had slight heart complications but is recovering slowly.

### **Old business:**

Last month's meeting generated a good turnout thanks to the Titanic Display at the Reagan Library. It was a good event but long lines since it was the last weekend for the display. The best part was the great food at the Red's Ribs BBQ after!

### **New Business:**

Dues are due today if you have not paid yet! See Loretta after the meeting.

Today's event is the Murphy Auto Museum hosted by Ron Lederer. The museum has cars from as early as 1910, a large model railroad display and right now they have a vintage trailers exhibit. Cost is a \$9 donation for adults. See Ron for directions. Clyde Shaffer has radios if you want one for the drive.

Thanks to Web Mistress Gina Moore, the future events of the year have been posted on our website. Check them out! The Board came up with an event for each month except for November and August. Any suggestions from the club on other events? David Cervelli suggested the Robert Hall race school in Oxnard. Jerry Miller recommended another JPL tour if there is enough interest however it would need to be on a week.

Tomorrow is Super Car Sunday followed by the Super Bowl.

Corvettes & Coffee is tomorrow in Thousand Oaks.

The Christmas Party has been locked in for December 15th at the Air Tel Plaza in Van Nuys. We are working on locking the band in and should have confirmation soon that we are all set.

Barbara Tuers has the sign-up sheet for the MB2 racing for the May meeting. Please sign up today, we need to get our head out in for reservations.

July 20-22th the Solid Axle Corvette Club of Southern California is hosting the National Convention at the 4 Points Sheraton in Ventura. It is on the website calendar. There will be a lot of cars and a water front location at the harbor, you'll want to be there.

Gina Moore received an email from the McMullens that she read to the club. Mark and Peggy McMullen had moved to Lake Nacimiento and sold their corvette a few months ago to the manager of their community, they weren't using the car. Little did they know it would start a trend when the manager parked the vet in front of someone's home and others in the community saw the car. Now a few people have bought their own corvettes and have started going on runs together. The McMullens are now looking for another corvette!

### **RAFFLE:**

Today's raffle brought in: \$100

Dinner drawing: \$25; Loretta Conway but she is not going to dinner.

Name badge drawing: \$5 to Charlie Rya!

### **CAR PROBLEMS:**

Shannon Powers picked up a big piece of metal on the freeway in her rear tire. Thankfully a patch jobs fixed it, hopefully she make it on the drive today!

### **Around the Board:**

**President:** Jerry Miller, nothing to add.

**Vice President:** Spencer Hoglund, we drove the corvette for the second time in 6<sup>th</sup> month today! Felt good to get it out of the garage!

**Historian:** Kemo, absent.

**Secretary:** Alyse Hoglund, nothing to add.

**Treasurer:** Loretta L'Oddo; we are in real good shape to start the year and we still have some dues to collect. Vince is still home sick, we are trying a new medication to try to help. We will also be seeing a specialist in a few weeks and hopefully they have some other recommendations for medicine that could help make progress.

**Events Director:** Ron Lederer; if anyone needs directions today, see me. Next month we will be heading to the Gene Autry Museum with dinner to follow. MB2 racing will be the May event. We do need events for August and November if you have any idea. We have 2 over nighters

coming up, one during August in Solvang. This is a fun trip with a car show, good food and drinking! They block the streets off in Solvang, it's pretty fun. The second will be a Palm Springs trip in October where we will go to the Palm Springs Air Museum, they offer flights in a P-51. Save your money now! We will book rooms at the Resident Inn. There is a casino down the street and lots to do out there, all close to the hotel. Check the websites for updates.

**Feature Editor:** Paul Pollock, new article just out. I have not run out of idea yet! There is a place for advertisements on the website, we could use at least 2 more business cards for the site. If you want yours posted let me know.

**Newsletter Editor:** David Cervelli; the newsletter has been set out, let me know if you have not receive it!

**Membership:** Barbara Tuers; please let me know if you will be making the MB2 racing in May.

**Museum Ambassador:** Jim Moore, has been looking into ideas for his 70<sup>th</sup> birthday and found you can book a formula 1 drive for 7-10k. Mike Gibbons might do it with me! On another note, there are no records of build sheets for pre '82 at the corvette museum due to a fire at the museum. Unfortunately you can't build a window sticker because there are no records. You can get the window sticker etched into the glass for your corvette.

**Product Director:** Shannon Powers, we have the denim shirts, back shirts and tote bags to buy! Come try them on and put in your order. The order will be placed on Monday.

**Web Mistress:** Gina Moore, we are collecting dues now so the 2018 roster will be updated by next meeting.

**Sgt at Arms:** Clyde Shaffer, Colleen is recovering well and would have been here today but wouldn't have lasted all day in the bumpy corvette. If you want a radio for the event, see me after the meeting.

**Happy Birthday to the February Birthday Babies:** Loretta Conway the 1st, Jan Boyce the 6th, Fran Filson the 14th, and Lynn Mazie the 28th.

President Jerry Miller wished all our Sweethearts a Happy Valentine's Day!!!

See everyone at the next meeting March 3<sup>rd</sup>!
