Treasurer-Loretta was under the weather so Gina Moore read Loretta's report that the bank account is healthy.

Museum Ambassador-Jim had no new museum info however did report that he had recently spoken to Bob Stanton, who just retired to Minnesota. So while passing through Arizona, Vicki was pulled over for speeding in the C7. Bob was driving the Cadillac. And being the concerned husband, he pulled over too as did Bob's dad who was driving their Chevy Cruze. So not only did Vicki get a speeding ticket but so too did Bob...because he pulled over! AND to make matters worse, because they had not renewed the CA registration on the C7 because they were going to register it in Minnesota, Vicki was written up for no registration! That came to a total of about \$1000 for no registration and two speeding tickets for doing 70 in a 55 zone. The cop didn't cite Jim (Bob's dad) due to his age...

Webmaster-Gina asked that anyone who takes pics today to please email to her.
