President Jerry Miller welcomed the club to the December meeting, the last meeting of the year! Unfortunately, our regular room was already reserved, sorry about the location for today. Being in the restaurant it will be a little hard to hear so please speak up.

Welcome back, Clyde & Colleen Shaffer. Good to see you guys and we are happy to hear you are home and out of the hospital!

Old business:

President Jerry Miller announced last months meeting generated a good turnout thanks to Alyse & Spencer Hoglund's event to the Moorpark College Teaching Zoo. It was a good event on a perfect day ending with great food at the Wood Ranch BBQ & Grill in Moorpark.

New Business:

Today's event for the guys is the Tune-in at Mark Singers West Valley Service Center in Canoga Park. The girls will be doing ceramic painting at "As You Wish" in the Simi Town Center.

After these events, we will all meet at Alyse & Spencer's home in West Simi Valley for our annual pizza party.

Tomorrow is the big Motor for Toys Super Car Sunday. Cost of admission is a \$10.00 unwrapped toy/donation.

The Pomona Swap Meet is also tomorrow!

If you haven't attended the LA Auto Show which started yesterday and goes until December 10th, you might want to check out the 2019 ZR1 on display.

Our Christmas Party is all set for Dec 16th at the Airtel Plaza in Van Nuys, if you haven't paid, see Loretta! \$50.00 each for a really good sit down meal and a live band. It's a bargain for our last fun-filled evening of the year.

January's event is hosted by Clyde Shaffer. We will head to the Peterson Museum and will need at least 13 people to get the member pricing. Dinner to follow. A sign-up sheet for those interested is going around. Put your name down if you can make it.
